3

FIG. 3 is a schematic diagram of a video game display screen. The screen is divided into several horizontal sections. At the top, there are seven status bars labeled 54A through 54F, each with an arrow pointing to it. Below these are seven corresponding score bars labeled 55A through 55F, each with an arrow pointing to it. The main display area shows the following text from top to bottom: "89" and "PARFECT" (with a score of 35), "190" and "GREAT" (with a score of 100), "3" and "GOOD" (with a score of 10), "10" and "BAD" (with a score of 55), "0" and "MISS" (with a score of 10), "61" and "MAXCOMBO" (with a score of 30), and "89200" and "SCORE" (with a score of 15000). At the bottom, there is a large "SS" and a "LEVEL" indicator showing "3".

FIG.17

A rectangular board with a double-line border. At the top center, the word "RANKING" is written in a large, outlined, serif font. On either side of the title, there is a circular graphic consisting of three concentric circles. Below the title, there are ten rows of data. Each row contains three columns of text: a rank (from "1st" to "10th"), a set of letters (mostly "A B C", with the last row having only "A B"), and a sequence of ten numbers (0 through 9). All text in the table is in an outlined, sans-serif font.
